Wow!

I am so proud of all of our dancers. You have worked so hard over the 7 years I have been in Hong Kong and especially over the last few when things have changed so often.

Your commitment and passion inspire me and I hope you continue to grow, learn, and have fun with us for many years!

This year, Ms Wayburne gave Ms Erica and me a fantastic opportunity by trusting us with her dance school. It has been the most fun and challenging thing I have ever done but I wouldn't change it for the world. This adventure gives us all a chance to explore what we love, keeping our creative minds whirring and bodies boogying.

I would like to thank the Parents and Aunties for their continued support throughout the previous year and I am grateful for trust and loyalty. I would also like to extend further thanks to those who have helped us set up and volunteer backstage for this performance. Without you, we could not have put all of this together.

Thank you to Youth Square for the generous opportunity to use the theatre this year. Though our numbers are not what they used to be, the chance to perform on the big stage is an experience our performers will never forget.

Ms Christina, our senior ballet teacher, has created some beautiful dances this year and I know all of our students of all genres, have enjoyed learning the choreography, as much as we enjoyed creating it!

I hope you all enjoy our 80s themed recital!

Let's Boogie!

Ms Erica

I am so excited that after three years, we can finally perform on this professional stage again. I am grateful to see the hard work of the students. I look forward to seeing you shine on the stage today.

Break your leg!

好興奮! 事隔三年我們再次在這專業舞台表演
感恩看見學生們的努力
期待今天看到你們在台上發光發亮!

Ms Christina

This is my 6th year with DMR. This year, many things have happened. We didn't have a chance to perform on stage last year and needed to do our ballet exam without an examiner in person for 2 years as well as all classes being on zoom again for 4 months this year unexpectedly.

I would like to say Thank You to all my ballerinas! You did very well during this difficult time and for all your continued support. Finally we can perform on stage again this year. Let all my young ballerinas keep growing and blossoming.
All the best for the "Flashback" performance!

這是我第 6 年在 DMR 教學。這一年發生了很多事情。去年我們沒有機會在舞台上表演。還有連續兩年需要拍攝我們的芭蕾舞考試。
再加上今年所有的課程需要連續4個轉到網上上課。
我想對我所有的芭蕾舞演員說聲謝謝！在這個困難時期你做得很好，並繼續得到你的支持。
終於可以再次上台表演了。讓我所有的年輕芭蕾舞演員不斷成長和開花。
祝"Flashback"演出成功！

Ms Wayburne

Over the almost 30 years that they have been offering classes the DMR team has aimed to provide a platform for expression, connection, laughter, release, and hope. These are all of the things that we need now more than ever. Dance is one of many activities that provides the human connection many people have been missing over the past two years so while we haven't always been able to use touch to connect, we can still feel close human connection by expressing ourselves through body language.

This is where dance is so important because , when one dances, one connects to the music and to one's feelings and, in that one moment, to the reaching out of another human being, be it a peer or one's teacher to bring expression and connection and a sense of belonging to something other than self.

This is what Ms Rhianna and Ms Erica have done so well during the pandemic and to be able to come and watch your children perform today is something that stands head and shoulders above any other performance where none of these restrictions were in place.

I read recently that "Art transcends all barriers and boundaries. With art there is no race, religion, age or colour; just the joy of rhythm. A joy that melds diversities and has the power to bring people together in one voice."

This is why you are here today, to transcend boundaries and forge a way forward with hope for an even brighter future.

I am confident of this.
